Description

The 1st Assistant position with Oliphant Golf is located at Trappers Turn Golf Course in Wisconsin Dells. A 27-hole public golf resort, Trappers Turn Golf Club offers three different 9-hole designs by Andy North. Among the recent additions are a short course designed by Andy North called 12North, as well as a putting green. The 1st Assistant reports directly to the Head Superintendent. This is a hands-on position preferably with experience in irrigation, organizing a crew, and application of pesticide and fertilizer.

This is a great opportunity for an individual to start or advance in their career. Oliphant Golf Companies is a management company locally based in Wisconsin. Oliphant Companies is a growing management company with several properties in the Midwest as well as being known for its construction. The position offers potential for advancement within the company.
